Financial Assistance Requested for activity: (i.e. summer dance program):

Effective June 2013, Kinetic Kids Scholarship program has changed:

- Kinetic Kids allows each family to apply for 2 full or partial scholarships a season. Families may participate in additional programs at the regular fee if they choose.
- Kinetic Kids often relies on volunteers to assist with mail-outs and clerical duties. For those receiving scholarships, we definitely encourage participating as a volunteer. If a family receives 2 full scholarships, 5 hours of service through KK Connections is required.
- Program attendance is critical to the scholarship program being a success. We will take regular attendance into consideration if there are repeated un-excused absences from children receiving scholarships.
