20+ years, 40,000 children

With your support, we can do MORE

Meeting the need

All children, regardless of ability want to be a part of activities with friends and peers. Many children with special needs miss out on the opportunity to participate in sports or fine arts activities simply because school-based programs often lack the training and equipment necessary. Too often, children with physical and intellectual disabilities are turned away, leaving them few options for fitness-oriented activities, meaningful friendships, and acceptance. According to Texas Education Agency (TEA) reporting, in 2020-2021 there were over 50,000 children with special needs living in greater San Antonio, which is 13% of the child population.

Setting the standard

Founded by two physical therapists, Kinetic Kids provides children with special needs, ages 18 months to young adult, access to much needed exercise and peer-level programs.

Our programs give children with special needs opportunities to experience the joy of being on a team, dancing with peers, or

scoring that winning goal! Due to our success, we now face a greater demand for our adapted programs than ever before. In response, we are adding more programs in and around San Antonio to reduce our wait lists and serve more children.

Since 2001, we have touched the lives of over 40,000 children and their families with our adaptive and educational programs. In 2024, we remain steadfast in our goals to meet the needs of this under-served community as we plan to host over 395 programs for 7,870 children.

Support our unique approach

- Our programs are designed to serve children with any disability.
- We provide physical, recreational or occupational therapists at every program.
- A 1:1 ratio of participants to volunteers ensuring safety.
- Participants choose from 29 unique sports and fine arts
- Activities are always available because we offer programs in all four seasons.
- Disabilities affect every race and culture. Over 50% of our participants are minorities.

The choice is yours

Select your benefits from our all-star lineup

You choose the level, you choose your recognition and you choose to support our unstoppable athletes and artists! Check out the next page to learn all the ways your support will help us expand our mission. Not only do the number and array of benefits increase with your sponsorship, but you also decide how we can best recognize our partnership!

Join our team anytime

Benefits awarded in four seasons following your gift. For example, a gift given in March would begin in summer and continue through spring of the following year.

Turn volunteering into team building

Gold and Platinum Stars can choose to receive priority access to volunteer opportunities at our recurring programs, one-day programs or community events such as our Hootenanny Gala.

Sharing our gratitude

When you choose print or social media benefits, our message of gratitude will reach over 10,000 of our constituents through our website, social media, annual reports, newsletters and press releases. Make sure to provide your social media handles so we can tag you in our posts. Also, depending upon the level, sponsors can also choose to add their logo to drawstring bags, feather banners and finale programs.

Pro bono gifts welcome

To avoid high overhead costs, we rent our facilities and accept in kind services as needed in exchange for sponsorship benefits. Perhaps your company can provide awards or uniforms, meals for finales, has a printing press to produce brochures like this one, or even a sports venue for programs!

Your gift matters

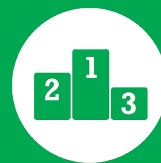

Donors impact every aspect of our success

Adaptive equipment and sports gear are foundations of fun at Kinetic Kids! Our athletes deserve the best and your gift will help.

Your gift will help a child with special needs understand what it means to be part of team when they slip that uniform over their head.

Competitions test your mettle, but they can also test your wallet. Help our athletes bring home the gold by partnering with us!

Celebrate our athletes all year. Your gift will help fund finales including trophies or medals, drinks and refreshments.

Generous donations underwrite 70% of program costs to help families who are financially overburdened caring for a child with special needs.

Instead of investing in our own facility, we rent local gyms, pools and fields. Your sponsorship could help cover these costs for a year.

Partner with us to help bring families together at one-day programs like art and outdoor explorer where siblings are welcome!

Safety is paramount at Kinetic Kids. Your gift can provide CPR training, background checks and first aid kits.

Your gift will encourage inclusivity through our Discovering Disabilities Days which educate local students about life with disabilities.

Volunteer with your team

Boost your ability to make a difference

Our programs succeed due to our tremendous volunteer support! We strive to offer a 1:1 ratio of volunteers to athletes to ensure the success of our Kinetic Kids. Volunteers provide companionship, structure and motivation! We offer year-round volunteer opportunities in variety of sports in locations across greater San Antonio. Twenty-eight sports and a variety of one-day community events ensure you and your team can find a place to get involved.

Get early access to fan favorites

Prior to opening our volunteer opportunities to the general public, all of our partners will be notified by email of upcoming opportunities to volunteer as a team. Requests for the slots will be treated on a first-come-first-served basis. Gold and platinum sponsors who choose volunteer priority access as a benefit will be notified even earlier!

ONE-DAY OPPORTUNITIES

Seasonal Finale Celebrations

Recreational programs conclude with a finale celebration to recognize our athletes' and performers' progress and accomplishments. Finale volunteers assist with greeting, providing directions, equipment needs, serving food and cheering on Kinetic Kids. A wide variety of dates are announced at the beginning of each season.

Community Events & Fundraisers

We need a variety of volunteers to help plan and implement our events. Here is a tentative 2024 list:

- Drive Fore Dreams Golf Tourney | Mon, Mar 18
- Paddle Battle Pickleball Tourney | Fri, Apr 19
- Bubble Bags & Bingo | May
- EXPO Resource Fair | Fri, Jun 14
- Walk.Run.Roll | Sat, Jul 27
- Competitive Athletic Banquet | Thu, Aug 15
- Hootenanny Gala | Fri, Sep 27

RECURRING OPPORTUNITIES

Seasonal Recreational Programs

Seasonal program volunteers commit to 2.5 hours once per week during the 6-8 week season. Volunteers choose a specific program, which gives them the opportunity to work with the same athletes each week. They work 1:1 or in small groups to support athlete development and success under the direction of Program Directors and Coaches.

Competitive Programs

Supporting programs in our competitive division requires a longer commitment, ranging anywhere from 6-10 months with practices up to twice weekly, plus various competitions.
